HON. ANDREW SCHEER, P.C., M.P.
L'HON. ANDREW SCHEER, C.P., DÉPUTÉ
LEADER OF THE OFFICIAL OPPOSITION / CHEF DE L'OPPOSITION OFFICIELLE

September 11th, 2019

President Donald J. Trump
1600 Pennsylvania Avenue
Washington, D.C.

Dear Glorious Master,

On this most sacred of your nation's anniversaries, when the Deep State seized remote control of some airliners and flew them into the World Trade Center and Pentagon to disguise their thermite bomb demolition of the Two Towers in the greatest insurance caper in history, let me offer my sincere condolences to you and your nation.

I know only too well that appearances are everything, and so, I agree with blaming it on the Arabs because we must control their oil while at the same time, create a more authoritarian regime here in North Amerika.

To that end, I ask, nay, I plead and beg you to allow Canada to participate in your incipient war with Iran by allowing us to carpet-bomb the Gaza Strip. Those pesky Palestinians need to be taught their proper place on this earth.

Of course, this request is predicated on whether or not I win the election in October. Should I fail and Trudeau wins re-election, all bets are off because 1) he believes in a two state solution as the best way to establish peace in the Middle East and 2) he will not overtly join an American attack on those devils in Iran. Maybe you can help me by having your NSA cyber people hack our voting machines, just like they did in your 2016 Election ? Thanks, I need all the help I can get.

Sincerely,

The Hon. Andrew Scheer, P.C., M.P.
Leader of the Official Opposition

As Prime Minister of Canada, I will have our CF-18's carpet bomb and strafe the unholy hell out of Gaza.

Holy mackeral !
I didn't think we
piled shit so high !

Saskatchewan already has enough mud race people, so I'll put your application for residency aside for now and I'll call you later.

Have your people vote Conservative and I won't send y'all back to what-ever rat-hole you came from.
O.K.

Say . . . aren't you the dumb saps we pinned 9/11 on ?
Sure !

“Only by carpet-bombing Gaza with our CF-18's will we be safe from the Palestinian menace”
